Pistol Replacement Sound

How to Install ?

1_ Run OpenIV, navigate to mods/x64/audio/sfx/resident.rpf

2_ right click weapons.awc select "Export to openFormats (.oac)" select desktop; you should get a folder and a file called "weapons" and "weapons.oac"

3_ Open the weapons folder drag and drop the PTL_PISTOL_SHOT.R file into the weapons folder close the folder, and grab the weapons.oac folder and drop into the weapon.awc

4_ Navigate to mods/x64/audio/sfx/weapons_player.rpf

5_ right click on the ptl_pistol.awc and export to openFormats (.oac) select desktop, open the ptl_pistol folder now drag and drop the PTL_PISTOL_SHOT.L and replace it.

6_ Drag and drop the ptl_pistol.oac file into OpenIV ptl_pistol.awc.

7_ You're all set! Enjoy!!
